

ELECTRONIC COMMUNICATION AND DATA MANAGEMENT

CQ  
(LOCAL)

The Superintendent or designee shall implement, monitor, and evaluate electronic media resources for instructional and administrative purposes.

AVAILABILITY OF  
ACCESS

LIMITED PERSONAL  
USE

Access to the District's electronic communications system, including the Internet, shall be made available to students and employees primarily for instructional and administrative purposes and in accordance with administrative regulations. Limited personal use of the system shall be permitted if the use:

1. Imposes no tangible cost on the District;
2. Does not unduly burden the District's computer or network resources; and
3. Has no adverse effect on an employee's job performance or on a student's academic performance.

USE BY MEMBERS  
OF THE PUBLIC

Access to the District's electronic communications system, including the Internet, shall be made available to members of the public, in accordance with administrative regulations. Such use shall be permitted so long as the use:

1. Imposes no tangible cost on the District; and
2. Does not unduly burden the District's computer or network resources.

ACCEPTABLE USE

The Superintendent or designee shall develop and implement administrative regulations, guidelines, and user agreements consistent with the purposes and mission of the District and with law and policy.

Access to the District's electronic communications system is a privilege, not a right. All users shall acknowledge receipt and understanding of all administrative regulations governing use of the system and the monitoring of their use and shall comply with such regulations and guidelines. Noncompliance may result in suspension of access or termination of privileges and other disciplinary action consistent with District policies. [See DH, FN series, FO series, and the Student Code of Conduct] Violations of law may result in criminal prosecution as well as disciplinary action by the District.

INTERNET SAFETY

The Superintendent or designee shall develop and implement an Internet safety plan to:

1. Control students' access to inappropriate materials, as well as to materials that are harmful to minors;
2. Ensure student safety and security when using electronic communications;

ELECTRONIC COMMUNICATION AND DATA MANAGEMENT

(LOCAL)

3. Prevent unauthorized access, including hacking and other unlawful activities;
4. Restrict unauthorized disclosure, use, and dissemination of personally identifiable information regarding students; and
5. Educate students about cyberbullying awareness and response and about appropriate online behavior, including interacting with other individuals on social networking Web sites and in chat rooms.

FILTERING

Each District computer with Internet access shall have a filtering device or software that blocks access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors, as defined by the federal Children's Internet Protection Act and as determined by the Superintendent or designee.

The Superintendent shall appoint a committee to select, implement, and maintain appropriate technology for filtering Internet sites. An administrator, principal, supervisor, or other authorized person shall consider and act upon requests from users who wish to use a blocked site for bona fide research or other lawful purposes.

The committee shall review appeals of decisions and make a recommendation to the Superintendent regarding approval or disapproval of disabling the filter for the requested use.

MONITORED USE

Electronic mail transmissions and other use of the electronic communications system by students and employees shall not be considered private. Designated District staff shall be authorized to monitor such communication at any time to ensure appropriate use.

INTELLECTUAL  
PROPERTY RIGHTS

Students shall retain all rights to work they create using the District's electronic communications system.

As agents of the District, employees shall have limited rights to work they create using the District's electronic communications system. The District shall retain the right to use any product created in the scope of a person's employment even when the author is no longer an employee of the District.

DISCLAIMER OF  
LIABILITY

The District shall not be liable for users' inappropriate use of electronic communication resources or violations of copyright restrictions or other laws, users' mistakes or negligence, and costs incurred by users. The District shall not be responsible for ensuring the accuracy, age appropriateness, or usability of any information found on the Internet.
